

# Saint Mark Lutheran School

## Junior Highlights

April 7-11, 2008

### Sports

JV basketball season starts next week with the boys only playing here on Tuesday against Hanalani. Both the boys and girls play on Thursday at Our Redeemer. We are looking forward to an exciting season.

The LSSL golf tournament is on Saturday, April 12 at the Hawaii Kai Executive Golf Course. Three of our students will be participating.

Spring pictures will be taken on Friday, April 18. In addition to the regular, individual pictures (which you will have the option of purchasing **after** you receive them), we will once again offer "freestyles". "Freestyles" must be paid for in advance and are pictures you can take with your friends and/or siblings.

### Poetry Contest Winners!

Tani Buckley has won 1st place in the 6th grade division of the 2008 Dr. Martin Luther King Jr. Peace Poetry Contest, sponsored by the International Peace Poem Project. In the 8th grade division, Randon Serikawa won 1st place and Brice Kanehira 2nd place. The students, their parents, teacher Mrs. Hayes and Principal Mr. Gaudi, are invited to attend a ceremony at the Mission Memorial Auditorium in Honolulu on Wednesday, April 16, where they will be presented with the winning certificates. Their poems will then be added to the International Peace Poem.
