Interested in a Spring Intersession Program?

We are currently considering whether or not to offer a fun one week intersession program during the second week of the spring break - **March 28 to April 1**. We can only offer the program if we have an adequate number of participants.

If you are interested in having your child(ren) participate in this one week program as outlined below, please indicate at the bottom of this sheet and return to the school office no later than **Thursday, March 3**. A determination will be made after March 3 whether or not there is enough interest to offer the program.
