At this Seventh Annual Benefit Gala, we are proud to honor

Dr. Louise Wolcott

for her decades of commitment to Saint Mark Lutheran Church and School as well as to the broader community.

Dr. Louise Wolcott is a true servant who has selflessly committed her life to helping others. In addition to the decades of volunteer service to Saint Mark's church and school, she has profoundly influenced countless lives through her work with Hawaii's Department of Education, private schools, and universities. She is an amazing educator, mentor, and servant who deserves our heartfelt appreciation.

A wonderful evening celebrating the *Fabulous 50's, Swinging 60's & Sensational 70's* will include delicious food, a hosted martini bar, live entertainment by Hawaii's own H2O - *Hard to Oppose*, and exciting auctions (both silent and live).

Please come dressed in your grooviest 50's, 60's or 70's attire!

Proceeds are used to support Saint Mark's financial aid/scholarship program and to continue the enhancement of Saint Mark's computer and tablet technology.
