I pray that you may be active in sharing your faith, so that you will have a full understanding of every good thing we have in Christ. Your love has given me great joy and encouragement, because you, brother, have refreshed the hearts of the saints. (Philemon 1: 6 & 7)

The above passage is an excerpt from the Apostle Paul’s letter to Philemon. In it, Paul prays that Philemon will be active in sharing his faith so that he and others may understand the infinite joy that comes in Christ.

At Saint Mark we make it our mission to do the same. We work hard to share our love of Christ with our students and their families. That being said, I am very thrilled to report that we now have another tool to help us better do that. Our new Saint Mark Lutheran School website was unveiled two weeks ago and represents another vehicle to communicate with our families – past, present, and future.

If you have not yet visited the website, I encourage you to please do so. It has the latest school news, pictures, maps, forms, and links, as well as a daily devotion, and daily Bible verse. We sincerely hope that you find it useful.

We again thank Mr. Steve Clemons for all of his help in developing and now maintaining the site. We will continue to work together improve our site in the days, week, months, and years to come.

In Christian Love,

R. David Gaudi Jr.

K - 5 CLASSROOM NEWS:

**Kindergarten:** Kindergarteners have been busy this past month. Things they have learned include: how to jump for our Jump Rope for Heart Day; how the Hawaiians used shadows from nature for their quilting; all about Chinese New Year and the lantern festival after which we celebrated with our dragon going to all the classes and wishing everyone “Kung Hee Fat Choy.” We’ve also read about some great presidents who have birthdays in February; what Lent means as we think about the stories of Jesus from the week that he died for us; how to add by putting the bigger number in our head; our phone numbers and manners so we can call our classmates.

**First grade:** First grade has been busy, busy, busy with Jump Rope for Heart, pen pal letters to friends in Idaho, Wizard of Oz field trip and many art projects for our Art Show next Friday. Students have also been learning how to use the hundred chart and skip counting. In grammar, we’ve been learning about subjects and predicates. Thank you to the parents who were able to come help/watch at our Jump Rope for Heart and those who planned our Valentine’s Party!

**Second grade:** The second grade students have caterpillars! Soon we will get to see some beautiful butterflies! The children are very excited to begin working in their third grade reading books. We are looking forward to seeing our art work displayed in the Art Show. The children have been learning how to write interesting stories and poems. We also have been learning about Vincent Van Gogh and about several of his famous paintings. We practiced jump roping to get ready for Jump Rope for Heart. All in all we have been keeping very busy!

**Third grade:** The third graders are busy practicing for our chapel presentation next week. We have new completed our handwriting book and are doing all our work in cursive. A real challenge! We are more than ready to leap over our next hurdle which is multiplication.

**Fourth grade:** The Fourth grade will be going to Waikalua Loko fishpond to tour the ancient pond right here in Kaneohe behind our school. We also look forward to showing our latest works of art at the Fine Arts Festival. Parents can also stop by the classroom to see the timelines students made of their lives. We had a fun time jumping in the annual Jump Rope for Heart jump-a-thon!

**Fifth grade:** Westward Ho! Our fifth grade class is learning about what pioneer was like. We are doing a simulation where all of the students have assumed pioneer identities, loaded up their families, purchased all their supplies, joined a wagon train, and are heading toward Oregon via the Hacker Trail. Each wagon train will have many decisions to make and problems that they will encounter along the way. Will they make it? A lot depends on the decisions they’ll make, so we’ll just have to wait and see.
