Dr. David Gaudi
 Head of School

Learning is a joy on Saint Mark Lutheran School's safe, quiet and surprisingly large 2.5-acre campus. The PK3 to 8 school has created a caring "ohana" since its founding in 1956 as part of Saint Mark Lutheran Church's educational ministry.

"Saint Mark has a strong community feel, where every child is known and nurtured to integrate faith with life," says Head of School Dr. David Gaudi. "Many second and third generation families return for our strong academics and safe, loving environment."

Diverse Offerings

Diverse offerings in art, band, choir/music, ukulele, technology and competitive sports teams enhance a rich and rigorous academic curriculum taught by fantastic faculty who make the spiritual, physical, social and emotional growth of their students a priority in developing the "whole child."

"Our teachers are the heart and soul of our efforts to ensure that our graduates learn to think critically to make informed decisions; to practice the importance of respecting oneself, others and property; and to utilize their talents to glorify God and serve others," says Dr. Gaudi.

Early Learning Center Serving PK3 & PK4

Saint Mark is excited to offer a high-quality early childhood program to 60 preschoolers in its recently opened the Early Learning Center, a 11,000-sq ft, two-story facility. The beautiful facility offers secure 1,000-sq ft classrooms, collaborative learning space, a tech learning center and an outdoor play area.

Strong Commitment to Financial Assistance

Saint Mark understands the challenging effects of the rising cost of living and remains committed to its financial aid as part of its ongoing efforts to help families, while increasing accessibility and promoting diversity among its student body. Approximately half of its students receive some form of financial assistance from Saint Mark as well as Kamehameha Schools and Hawai'i's Preschool Open Doors.

Students Accepted into High School of Choice

With 70 years of academic excellence, the co-ed school has consistently prepared its graduates to be life-long learners, well-equipped with 21st century skills to transition successfully to the high school of their choice. Recent graduates were accepted into a variety of Hawai'i's private schools, including Damien, Hawai'i Baptist Academy, 'Iolani, Kamehameha, Le Jardin, Maryknoll, Mid-Pacific, Punahou, Sacred Hearts and Saint Louis.

Safe to Make Mistakes

"Saint Mark strives to provide a challenging and disciplined learning environment that is fun, exciting and full of God's love.

By sharing and living God's loving and saving grace, we hope to create a caring atmosphere where our students are challenged to do their best, yet feel safe to take risks with their learning and curiosity without fear of failure. We want our students to be able to make mistakes knowing that God loves them, we love them, and that failure is not fatal," says Dr. Gaudi.
